

Plasma and Electrostatics Technologies for Environmental Application (PETEA 2017)

9-11 June 2017 (Dalian, China)

First Announcement

Welcome

It is a great honor and pleasure to invite you to participate in the “5th East Asia Joint Symposium on **Plasma and Electrostatic Technologies for Environmental Application (EAPETEA-5)**” to be held on 9 -11 June, 2017 in International Convention Center of Dalian University of Technology(DUT). **EAPETEA-5** will be held in extended format from Korea-Japan joint to East Asia joint. In the meeting, several ongoing critical issues on plasma science and applications will be discussed, such as diagnostics of plasma, commercialized plasma technologies, bio-, medical-, and environmental applications. We hope you will enjoy participating **EAPETEA-5** in Dalian, China.

Meeting Topics

- Biomedical Application
- Electrostatic Precipitation (ESP)
- SO₂, NO_x and PM_{2.5} control
- Plasma-assisted Combustion
- Plasma Fundamental and Diagnostics
- VOCs and Odor Control
- Wastewater Treatment
- Any New Topics in Plasma and Electrostatics

Contact

Conference Affairs: EAPETEA_5@126.com
Jie Li (DUT): lijie@dlut.edu.cn
Young-Hoon Song (KIMM): yhsong@kimm.re.kr
Hyun-Ha Kim (AIST): hyun-ha.kim@aist.go.jp

Venue

DUT International Convention Center in Dalian, China.
